## Introduction

St. Peter's German Evangelical Church in Cincinnati, Ohio was the spiritual home for much of our family for over 100 years. According to Robert C. Rau (1999), the United Protestant Evangelical St. Peter's Church was founded in 1832 with Rev. Phillip Hauser as its leader when a group split off of the original German church in Cincinnati – the German Lutheran and Reformed Church which had been founded by a Swiss Moravian missionary in 1814. The new church was initially located on lower Elm Street and then built a church on the corner of 13<sup>th</sup> and Walnut. In 1874, the church moved to a new church building on the corner of Main and McMicken Streets. The church remained named St. Peter's Church until 1948 when it merged with the German Evangelical St. Paul's Church which had split off from the German Lutheran Church in 1840 to form St. Peter's and St. Paul's United Church of Christ which moved to Queen City Avenue in Western Hills.

The ministers who served St. Peter's Church (Rau 1999) were Philipp Hauser (1832-1841), N. Niemann (1842-43), F. Becher (1843-1845), M. Schaad (1845-50), G.N. Hofsueemmer (1851-61), Edward Spiedel (1861-67), H.W Pohlmeier (1867-87), J.C. Kramer (1887-93), Ewald Haun (1893-1910), Hans Haupt (1910-1938), and J. Peter Wagner (1938-48). After the merger with St. Paul's, three ministers have served—J. Peter Wanger (1948-1966), Donald J. Bartlemeh (1967-83), and Robert Bonham (1983 - ). These names appear occasionally in the microfilmed church records available from the LDS Church Family History Library in Salt Lake City, UT (Film numbers 1514062, 1514063, 1514064).

The Weise, Schmid, Veser, and Bogart families all attended the church at one time. Families that became joined to the Weise, Schmid, and Bogart families through marriage were often members of the church as well. This report lists the individual records that were extracted from the LDS microfilms by D. Weise in Feb. - Apr. 2008 at the LDS Family History Center located on Jackson St., Riverside, CA. The records are organized by type of ceremony – baptism, confirmation, marriage, and funeral. In looking through the 3 microfilms, I have tried to locate all family-related records; however, given the number of people involved, I may have missed some records. After the films were returned, I discovered the names of Elizabeth Veser Schmid's brothers. Only a few Veser records are included here; more are likely to be found in the microfilms. Each record is followed by the microfilm number that the record resides on. Cornelius Bogart was found to be a member of St. John's Evangelical Church in Bellevue, KY. The records for this church were examined and the information is contained as supplemental information.

The earliest family records located in the church files are for the Carl Gottlieb and Wilhelm Hermann Weise families. According to the recollections written by Alvera Weise Anspach, Herman Weise and his fiancé were married in Baltimore and moved to Cincinnati while Carl Weise wandered through the Midwest until he joined his younger brother in Cincinnati prior to the outbreak of the Civil War. The church records record a marriage for Herman and Agnes in 1855 in Cincinnati and Carl's presence at the baptism of their 2<sup>nd</sup> child in 1857.

## Family Trees

Several family trees for the families that appeared in the St. Peter's records follow. These family trees were developed from information from several sources which were graciously provided by several different members of the families. These family trees are not necessarily error free; but they represent the information that I have compiled currently. The names that appear in the church records appear in bold type face.
